SIR,

As desired in your letter No.788/Muz. dated 9/15th October 1928, I have the honour to forward herewith copy of letter No.A.5-C.1055/27-28 dated 17th May 1928, from the Deputy Commissioner Chitaldrug District, in the matter of repairing the Gopuram of the Sri Thyara Malleswaraswamy temple at Hiriyur and to state that since the institution has sufficient funds to meet the cost of the present estimate, the entire cost may be met from the temple funds which amounted to Rs.2,774-14-1 at the end of June 1928. If there are other works the execution of which has to be undertaken urgently, their cost may be met from the State Grant allotment of either this year or next year after the estimate is prepared and received.

Letter No.A.5-C.1055/27-28 dated 17th May 1928, from the Deputy Commissioner, Chitaldrug District, to the Muzrai Commissioner in Mysore, Bangalore.

I have the honour to forward herewith an estimate for Rs.2540/ for repairing and renewing the plastering etc., of Gopuram of Sri Thyeramalleswaraswami temple at Hiriyur, received with the Chitaldrug Sub Division Officer's No.P.R.6817/27-28 dated 9th April 1928. It is reported that the estimate has been prepared for the work as ordered by the Dewan Saheb during his recent visit of the place, in his tour of the District. It is also seen from the enclosed report of the Dharmadarsies of the temple that there is only a balance of Rs.2458-1-10 at the credit of the institution and that they are unable to meet the full cost of the estimate and are agreeable to meet only half the estimated cost, the other half being met out of the State Grant.

I request you, therefore, to kindly accord sanction to the estimate.
